

Capability Statement

Phaeton Solutions

Intelligent Energy Innovation

Core Competencies

Phaeton Solutions assists Federal, State and Local Government Agencies in their requirements for independent vendor agnostic application engineering services related to Energy Efficiency. We leverage a wide breadth of experiences and partnerships to provide engineering services to mitigate our clients most challenging mission critical projects.

- **Management Services**
 - Strategic Planning
 - Program Management
 - Administrative Support
- **Technology Services**
 - Networking & Communications Equipment Resale
 - Managed IT Services
 - Systems Integration
- **Facility Services**
 - Strategic Planning
 - Operations & Maintenance
 - Construction Management
 - Energy Conservation Measures

Differentiators

Cross functional teams and skillsets laser-focused in delivering unparalleled client service, under budget and on-time.

Experienced in value engineering which means we can get more accomplished at a lower cost than competitors

A proprietary vendor agnostic methodology which enables us to maximize client project objective success, while minimizing detrimental impacts which drive up cost, time-delays, and dissatisfaction with deliverables.

Strategic Technology partnerships with:

- DELL/EMC
- IBM
- CISCO
- JUNIPER NETWORKS
- MICROSOFT
- XEROX
- INGRAM MICRO
